Sept. 1, 2020

Colleagues,

This message contains Hurricane Laura recovery updates for our Lake Charles colleagues to inform them of important work-related updates, as well as information needed for their own personal/family recovery. In addition, please visit the <a href="https://hurricane.com/

SASOL SUPPORT

Update your status

We ask all employees impacted by Hurricane Laura to complete this status survey and update it again if your status changes. If you are connected to the Sasol network, you will be taken directly to the survey. If you are not connected to the Sasol network, you will be asked to log into the survey using your Sasol credentials.

Information required for \$2,000 Sasol grant

Sasol is providing \$2,000 grants for affected employee households with incidental costs incurred during recovery of Hurricane Laura. The grants will be directly deposited into the accounts of employees as soon as possible. To receive this grant, affected employees must answer this one-question survey.

Fuel Update

Sasol is providing up to 10 gallons of either gasoline or diesel fuel per day per each employee who is currently working onsite. To enhance the fueling service provided, a second location is now available. East Plant employees should use the east fueling station located just north of the Alcohol control room and east of the Alcohol rail loading racks.

For any concerns please contact the following personnel:

East Plant: Glenn Duhon – 337 660 8432

West Plant: Willmur Prinsloo – 337 661 4727

Please note that there may be lines and patience is appreciated.

OTHER RECOVERY RESOURCES

Tide Loads of Hope

Tide has deployed its mobile laundromat service to support relief and recovery efforts in the wake of Hurricane Laura. The Tide Loads of Hope mobile laundry vehicles will begin services in Lake Charles, Louisiana, providing free, full-service laundry to residents affected by the recent hurricane. Visit here for more information.
